## Lauds 1.  Mode 1. *Pa=D. O martyrs extolled.*

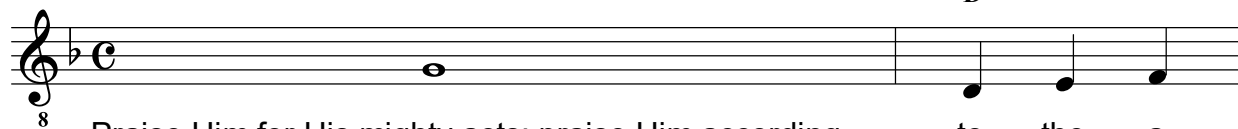

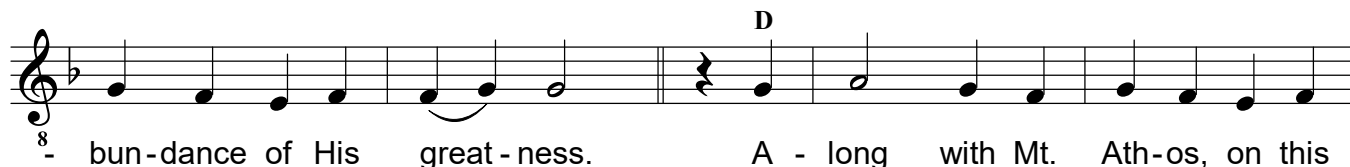

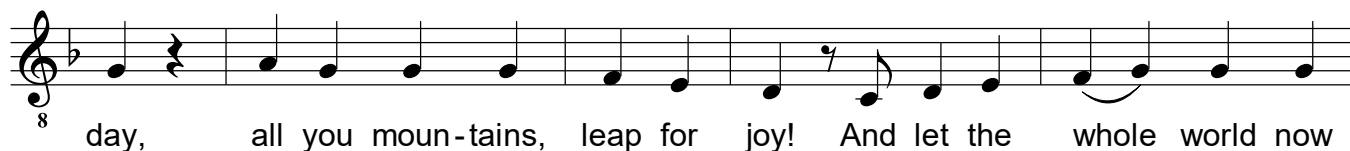

Praise Him for His mighty acts; praise Him according to the a-
bun-dance of His great-ness. A - long with Mt. Ath-os, on this
day, all you moun-tains, leap for joy! And let the whole world now
cel-e-brate in hymns and glo-ri-fy the Lord, for He gave us
re-cent-ly Pa - i - si-os, sup - port of the be - liev - ers, the boast of the de-
vout as-cet-ic saints, and the teach-er of re - pent-ance, and the
might - y cham-pi-on of vir - tue and truth.
